## Iteration Release Information

Rachel Carmickle - 2025-01-06 - [Announcements](#)

### **Iteration Release Schedule**

**Test Push:** The item has been created and passed through our Quality Assurance Gates and is now implemented in the Test environment. These items can now be tested against your workflows. Release notes are sent out after the Test push is successfully completed.

**Prod Push:** The items in the Test environment are being implemented into the Production environment. The Production pushes are done after regular business hours to minimize any disruptions. The Production push email is sent out after the push is successfully completed.

**We do not anticipate any downtimes during these periods. If you are experiencing a downtime longer than 10 minutes please contact Novari Support by telephone.**
